To the members

SPECIAL WAR RISKS P&I EXCESS COVER, AND BIO-CHEM COVER, AND US TERRORISM RISK INSURANCE ACT OF 2002, AS AMENDED BY THE TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2019

War Risks P&I Excess Cover

At their recent meetings, the Directors reviewed the basis on which special war risks P&I cover could be made available to Members in accordance with the proviso to Rule 5E, and determined that this cover should be made available to Members for the 2023 policy year in accordance with the terms of the attached Directors’ Resolution “A” of 6th February 2023.

Except for the new territorial exclusion noted below, the terms on which the War Risks P&I Excess Cover will be provided for the 2023 policy year remain unchanged from the previous policy year, including the limit of cover of US\$500 million and a deductible of \$50,000, any one event each vessel.

However, Members should note that the War Risks P&I Excess cover of \$500 million will in 2023 newly include a territorial exclusion for vessels transiting and/or calling within all Russian waters including their coastal waters up to 12 nautical miles offshore, and certain European waters as defined more fully in the resolution.

The resolution as drafted provides a replacement cover limited to \$50 million for risks subject to the above territorial exclusion, but allows the Directors to increase the limit if more reinsurance becomes available. This replacement cover limit has subsequently been increased by the Directors to \$80m.

As per the previous policy years, the cover will only respond to claims in excess of the proper value of the entered ship as defined in Rule 5D (which is deemed not to exceed US\$500 million), or whatever sum is recoverable from war risk underwriters, whichever is the greater.

Members are reminded that where payment by the Club under a guarantee or a certificate is in respect of war risks, Members shall indemnify the Club to the extent such payment is recovered or would have been recoverable under a standard P&I war risk policy.

Bio-Chem Cover

The Directors also decided to provide limited Biochem insurance protection in respect of certain P&I war risks that are excluded both from Owners' primary war risks P&I policies and from the Club's excess war risks P&I cover by reason of a "Chemical, Biological, Biochemical, Electromagnetic Weapons and Computer Virus" exclusion. The cover is narrow in scope, extending only to crew claims and to sue and labour costs in respect of any other types of claim, and is subject to a low limit of \$30 million applicable to the aggregate of all claims each ship each accident. The claims are not reinsured, but are shared in the IG's Supplemental Pool.

Notices of Coverage – US Terrorism Risk Insurance Act of 2002 (Act), as amended by the Terrorism Risk Insurance Program Reauthorization Act (TRIPRA) of 2015 and the Terrorism Risk Insurance Program Reauthorization Act of 2019 (Public Law 116-94, 133 Stat. 2534)

On 20th December 2019, the Terrorism Risk Insurance Program Reauthorization Act of 2019 (Public Law 116-94, 133 Stat. 2534) ("TRIPRA") was signed into law, extending the TRIA programme for another seven years through 31st December 2027.

A portion of the War Risks P&I Excess Cover and the "Bio-Chem" Cover afforded to Members pursuant to the Directors' Resolutions is provided in accordance with the requirements of the US Terrorism Risk Insurance Act of 2002, as amended by the TRIPRA of 2015 and 2019, and give coverage for losses arising out of "acts of terrorism," as defined in Section 102(1) of the Act and as required by Section 103(c) of the Act.

Cover for losses caused by certified "acts of terrorism" can be partially reimbursed by the US government under a program established by the Federal Law. Since 2020, the program has provided for the United States to pay 80% of covered terrorism losses exceeding the statutory established deductible paid by the insurance company providing the cover in the relevant calendar year.

The Act, as amended, also imposes a program trigger on the government's compensation: i.e. insurers cannot have the benefit of the government's compensation unless the aggregate industry insured losses from a certified act of terrorism exceed a certain insured loss or "trigger" amount. The trigger amount in the 2020 calendar year and any calendar year thereafter until 2027 is US\$200 million. In addition, if the aggregate insured losses exceed US\$100 billion during any program year, the government shall not make any payment for any portion of the amount of such losses that exceeds US\$100 billion, and no insurer that has met its insurer deductible shall be liable for the payment of any portion of that amount that exceeds US\$100 billion.

Although no additional premium is charged for coverage for "acts of terrorism", a premium of US cents 0.25 per gross ton entered is deemed to be attributable to the US risk in accordance with the terms of the Act.

Yours faithfully

THE MANAGERS

**RESOLUTION A
WAR RISKS P&I EXCESS COVER
SPECIAL COVER UNDER PROVISO TO RULE 5E
DIRECTORS' RESOLUTION OF 6TH FEBRUARY 2023**

WHEREAS, in accordance with Rule 5E of the Club's Rules coverage for certain war and similar risks, including acts of terrorism, is excluded under the general mutual indemnity undertaking. Special cover is nevertheless provided for these same certain risks under the proviso to Rule 5E and in accordance with each individual Owner's terms of entry; and

WHEREAS, the Terrorism Risk Insurance Act of 2002 (TRIA) (Public Law 107-297), as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 and further amended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 and the Terrorism Risk Insurance Program Reauthorization Act of 2019 (Public Law 116-94, 133 Stat. 2534), makes provision for a Federal quota share indemnification to participating insurers for insured losses resulting from certain acts of terrorism occurring through 31st December 2027; and

WHEREAS, this Club, meeting the definition of "insurer", is required to make available coverage for "acts of terrorism" as defined in TRIA and is entitled under the program to an indemnification by the Secretary of the Treasury of 80% in 2020 calendar year and in any calendar year thereafter until 2027 of losses resulting from certified acts of terrorism in excess of the insurer's deductible, and

WHEREAS such indemnification will be available in the 2020 calendar year and in any calendar year thereafter until 2027 only if aggregate insured losses sustained by all insurers with respect to acts of terrorism during the calendar year exceed US\$200 million; and

WHEREAS, the Directors on behalf of the Club's membership have considered whether coverage of TRIA-defined acts of terrorism could be removed from the special cover and made subject to the general mutual indemnity undertaking but have concluded that acts of terrorism, as the other perils subject to the special cover, remain unsuitable for a general mutual indemnity undertaking; and

WHEREAS, no Owner responded affirmatively to the initial offer made by this Club to provide cover of TRIA-defined acts of terrorism on the basis of additional premium rates designed to fund the TRIA deductible and retention without mutual indemnity or the reinsurance available to the special cover; and

WHEREAS, the Directors have determined to provide the Special War Risks P&I cover including cover for terrorism risks as for the current Policy Year and that the estimated cost for TRIA-defined coverage remains US cents 0.25 per entered ton.

IT IS NOW THEREFORE RESOLVED, that in accordance with the proviso to Rule 5E of the Club's Rules, special cover be provided to the Members of the Club for the year commencing at 12 noon GMT on 20th February 2023 against risks, including TRIA-defined acts of terrorism, which are excluded from cover solely by virtue of the provisions of Rule 5E. Unless otherwise agreed in writing, such cover shall be subject to all other terms and conditions of an Owner's entry in the Club and shall be provided upon and subject to the following terms and conditions:

1. The risks covered shall be those set out in Rule 2 of the Club's Rules in accordance with each individual Owner's terms of entry as set out in the relevant Certificate of Entry and any Endorsement thereto, except loss, damage or expense arising from an act of terrorism which the Owner incurs, or for which he is liable, as a party to TOPIA.

- (b) the amount recoverable in respect of the claim under any other policy of insurance, whether of war risks or otherwise,

whichever shall be the greater, provided that the Directors may authorise the payment, in whole or in part, of any claim or part of a claim which falls within such excess, if in their discretion and without having to give any reasons for their decision they decide that the Owner should recover from the Club.

3. Subject to paragraph 5 below, the limit applying to this special cover shall be the lesser of

- (a) US\$500 million each ship, any one accident or occurrence or series thereof arising from any one event, or
- (b) such limit as may be applicable to the claim under the Member's individual terms and conditions of entry,

PROVIDED ALWAYS that

where a ship entered in the Club by or on behalf of any person is also separately insured in the name of or on behalf of the same or any other person by the Club or by any other insurer which is a party to the Pooling Agreement in respect of the losses, liabilities or the costs and expenses incidental thereto which are covered pursuant to the terms of this Resolution and/or the equivalent policy provisions of such other insurer, the aggregate recovery in respect of all such losses, liabilities and the costs and expenses incidental thereto shall not exceed \$500 million or, the limit applicable to the claim under that person's individual terms and conditions of entry if less, each ship, any one event, and the liability of the Club to each such person insured by the Club shall be limited to such proportion of \$500 million, or the limit applicable to the claim under that person's individual terms and conditions of entry if less, as the maximum claim otherwise recoverable by such person from the Club bears to the aggregate of all such claims otherwise recoverable from the Club and all such insurers.
